Is E A Koetting a scam artist occult reddit

Koetting is a little hard for me to take seriously, but at the same time, I don't think he is a complete quack. He does seem to believe in what he is doing and has offered a number of interesting viewpoints in his free videos. The whole 'magic as a business' thing definitely makes me suspicious, but it doesn't necessarily mean everything he has to contribute is fluff.

E A Koetting is he for real occult reddit com

EA Koetting is utter fucking trash. I know him personally. I have the displeasure of being contacted by him. The ass clown was looking to legitimize his Palo Mayombe and other African "themed" sorcery garbage.
