### **Fairest of All A Tale of the Wicked Queen by Serena Valentino**

I didn't have high expectations for Fairest of All, being a Disney princess book and all. But the image of the Queen's deeply disturbed face against a black background piqued my curiosity. She looked so consumed, she seemed beyond saving. The title also wasn't visible in embossed black, adding to the

mystery. The interior was designed perfectly to fit the magical, slightly dark tone. If you can get past the fairy tale language, it is an enjoyable book.
