The Mummy with No Name Geronimo Stilton 26 Goodreads

I just finished reading Geronimo Stilton, The Mummy With No Name. I liked it because there was a Mummy going around the museum trying to scare everyone out! If you have to type in numbers to rate it I would type in 500! My favorite part was when they got trapped in a trap door and Geronimo Stilton found a way to get out. The characters are Geronimo Stilton, Benjamin Stilton, Buggy, and Professor.

Geronimo Stilton Wikipedia

Geronimo Stilton is an Italian children's book series published by Edizioni Piemme of Milan, Italy, since 2000. Although the series credits its title character as the author, the idea was originally thought of by Hunter Murphy. On older novels, the copyright is issued to a pseudonym "Geronimo Stilton"; this was changed on newer books. The books are intended for readers in the 6-12-year-old age range.
