Best Read Pam Conrad Stonewords A Ghost Story

This was another book that I read over and over when I was young. I think I got it from a book fair, and I loved it. The ghost story was creepy enough to give me goosebumps on the 23rd read-through, but not scary enough to give me nightmares.

Review i Stonewords A Ghost Story i by Pam Conrad

My copy of Stonewords has a tattered cover, yellowing pages, and a Lisa Frank sticker inside the back cover. The publishing date and sticker are clues that I probably read this book between the ages of 8 and 10, around the main character's age. Would it still hold that same magic for me years later? It definitely does.
